

# KAMCHATKA WITHOUT LIMITS

PRIVATE TOUR - NATURE AND COMFORT

# About program

This tour is ideal for those who dream of a relaxing vacation in the heart of nature, combining comfort and unforgettable impressions.

Accompanied by an experienced guide you will see breathtaking landscapes and unique nature of the Kamchatka region without excessive physical effort. As part of the tour you will visit spectacular geysers, picturesque volcanoes, and you will also be able to observe wild animals and enjoy the flavors of local cuisine.

The trip can be taken with children.

---

*Lilya and Igor*

*Greeting*

*food*

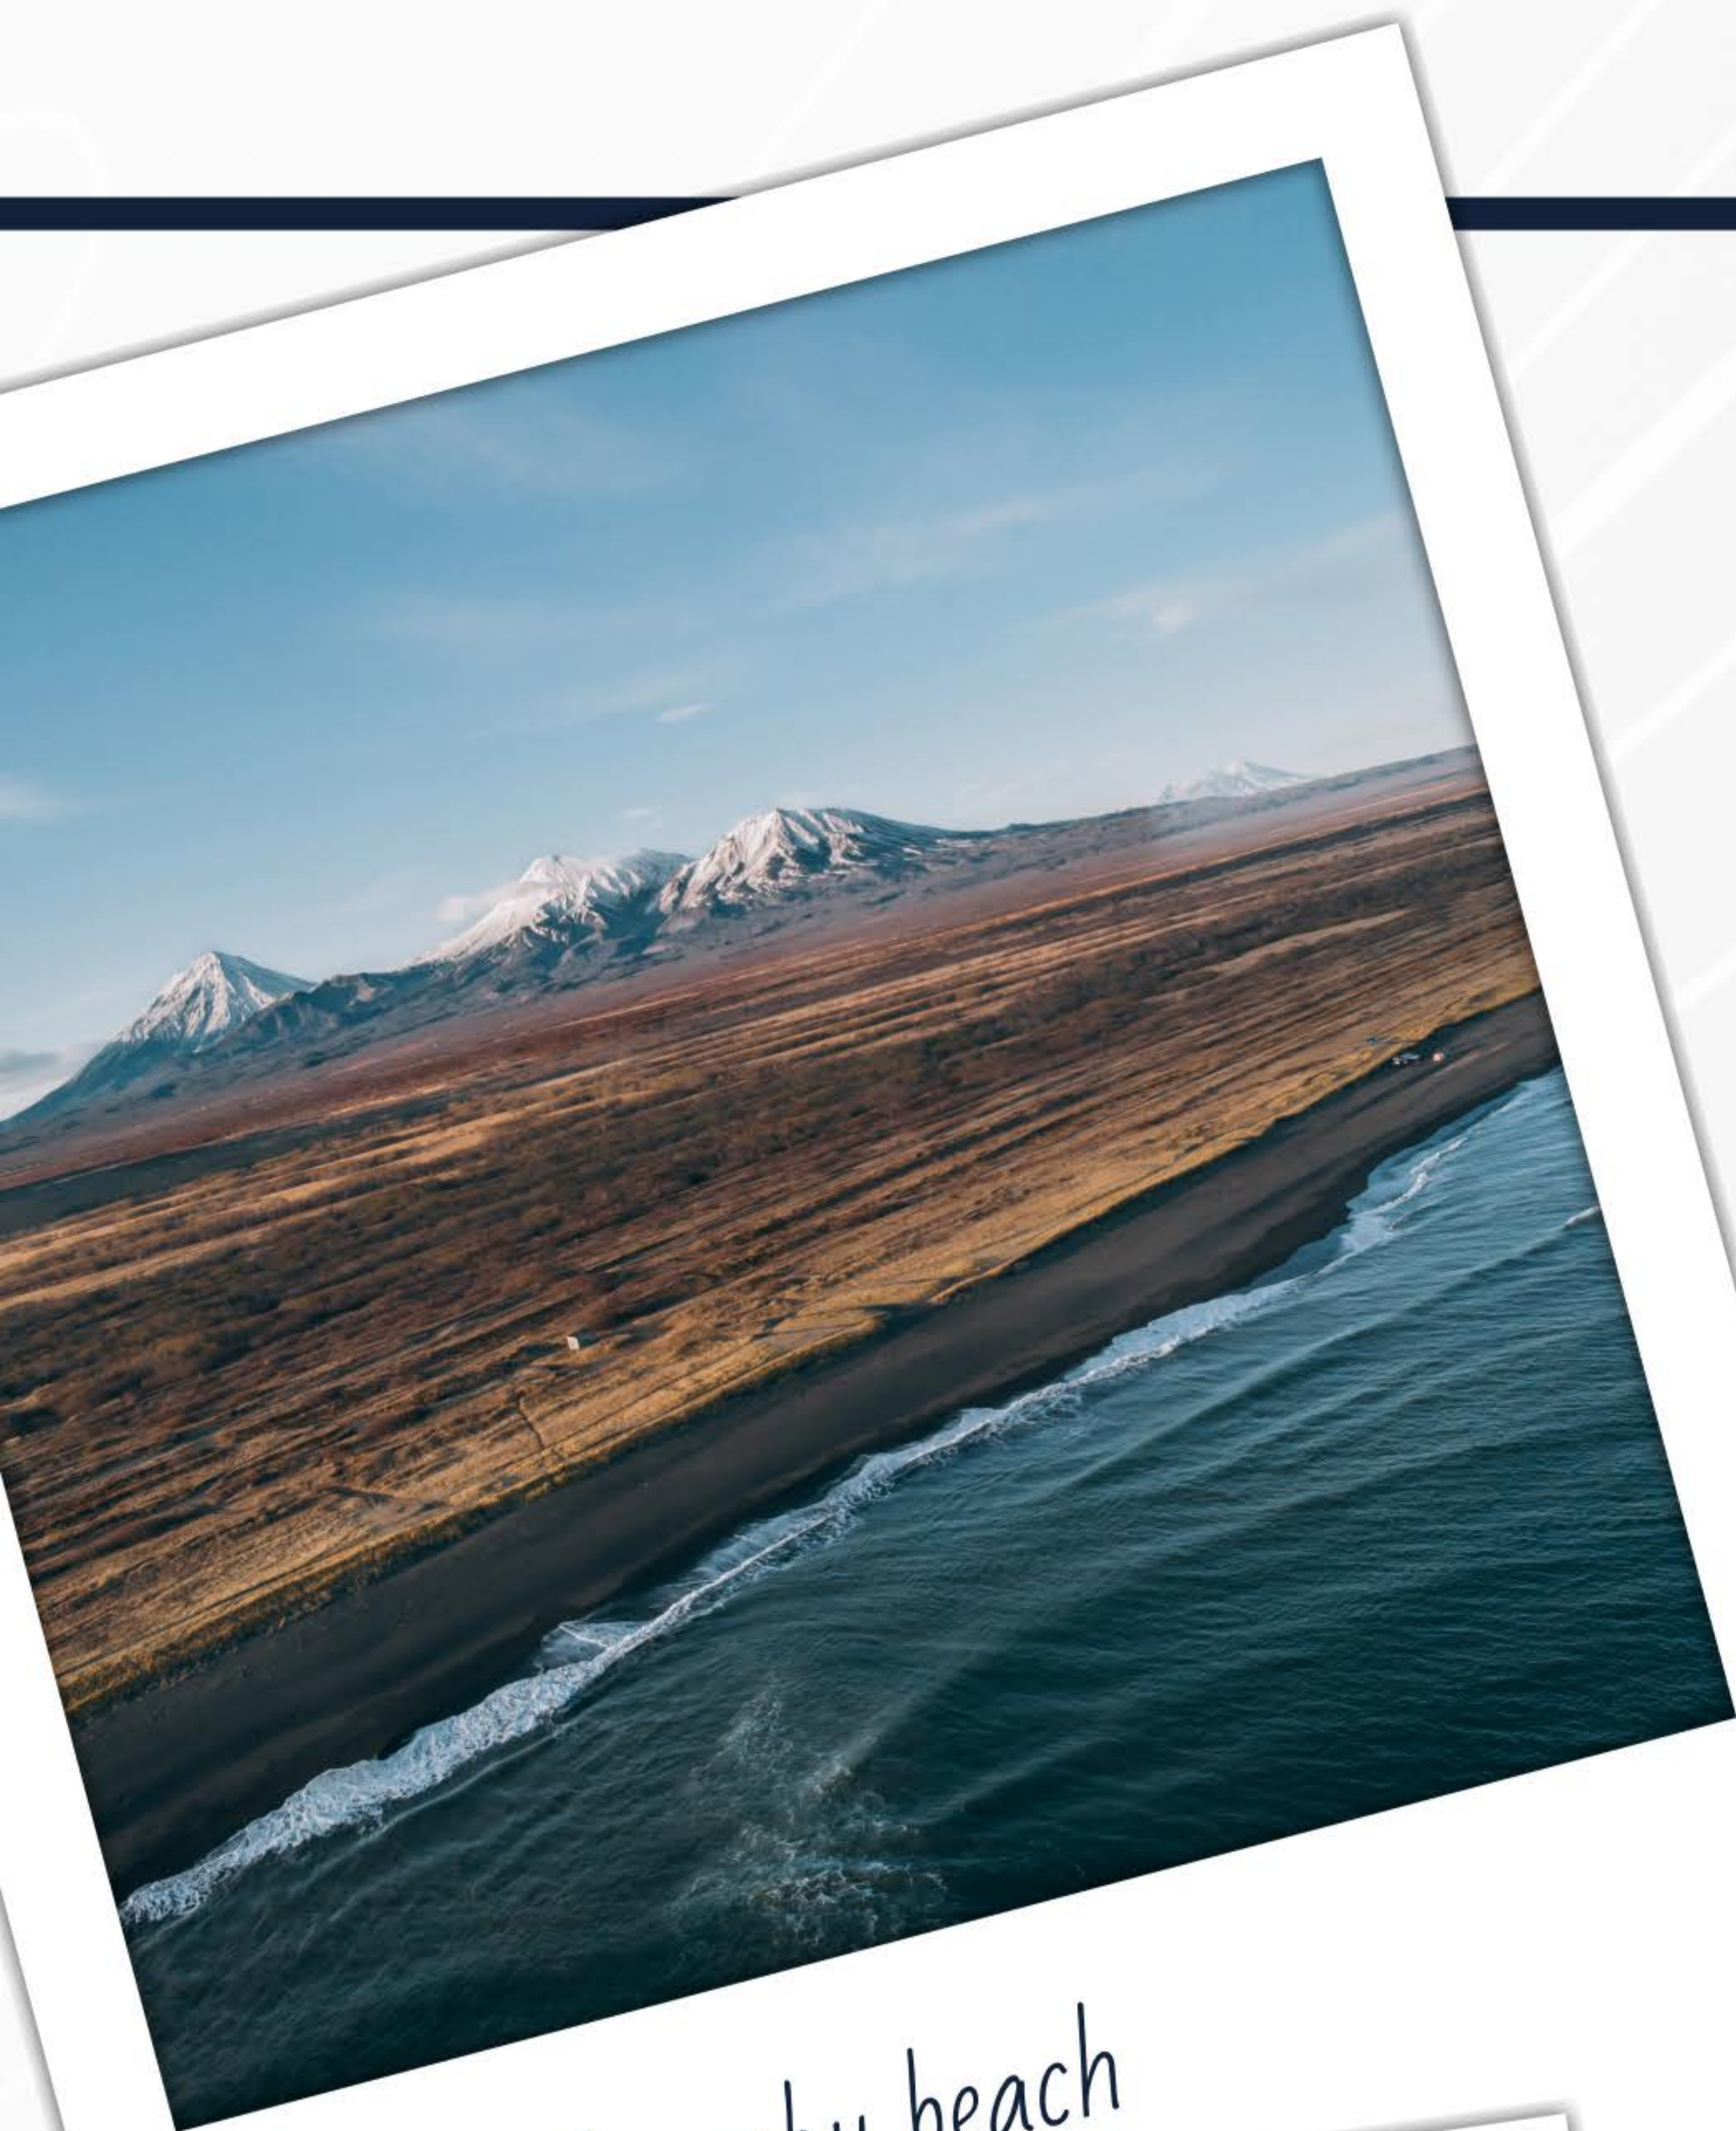

# Day 2

## Avacha Pass and Black Beach

Jeep tour to the foot of the Avacha volcano, one of the most active domestic volcanoes.

A trip to Khalaktyrsky beach with black volcanic sand.

Evening brunch from the chef on the ocean shore.

Khalaktyrsky beach

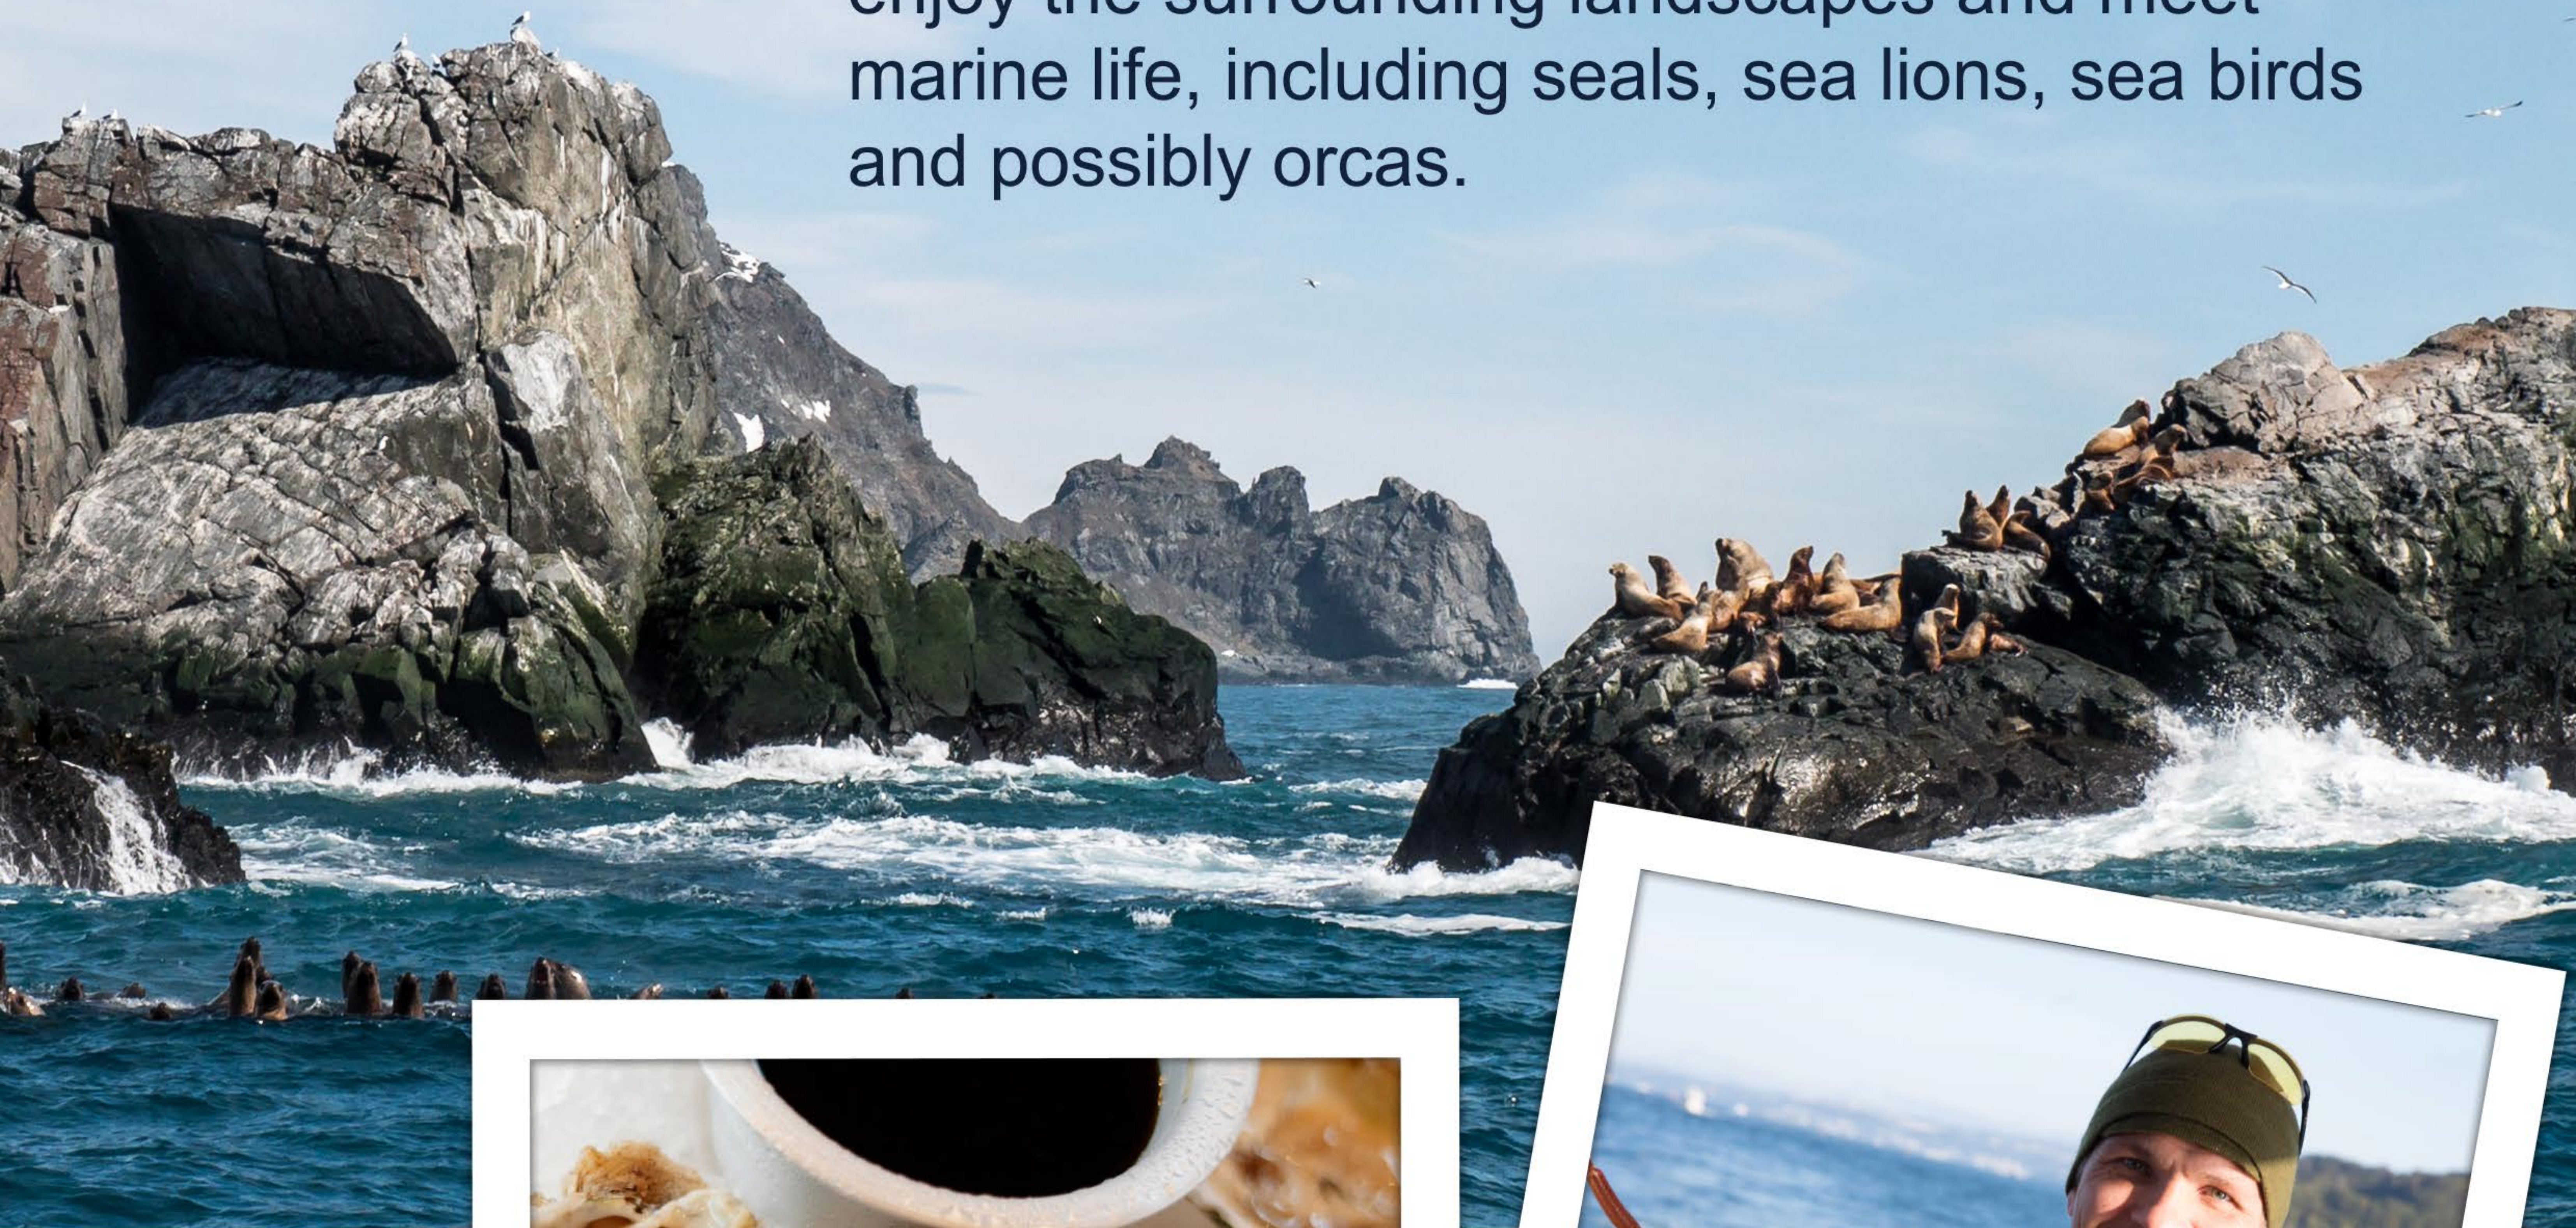

Avacha Pass

# Day 3

## Kamchatka's marine world

Aboard a modern yacht, we're going to Russkaya Bay. As the yacht moves, you can enjoy the surrounding landscapes and meet marine life, including seals, sea lions, sea birds and possibly orcas.

Three Brothers Rock

ar

Crabs

The chef will prepare a meal filled with the freshness and flavors of the ocean - freshly caught fish, Kamchatka crab and sea urchin caviar.

# Day 4

## Valley of Geysers

An exciting helicopter trip to one of the most unique places on Earth - the Valley of Geysers, located within the Kronotsky Reserve.

Guests will be accompanied by a guide to see numerous geysers, hot springs and volcanic formations.

*Tour of the Valley of Geysers*

*Geyser eruption*

# Kliuchevskoy Park

Kliuchevskaya Sopka and other volcanoes of the Kliuchevskoy Park are among the most active volcanoes in the world. In recent decades, there have been many eruptions here, which have been of interest to volcanologists and tourists.

*Northern Breakthrough*

*Kliuchevskoy Park*

Our main area of interest is the aftermath of the catastrophic eruption of the Tolbachik volcano in the 70s. We will make a small ascent to the volcanic cones of the Northern breakthrough, where in some places you can still feel the heat of the Earth.

# Day 5

## Lake Nachikunskoe

On footable jeeps we go to the territory of Lake Nachikinskoye, where we transfer to motor boats and go in search of bears.

On the way you can enjoy picturesque views of mountains, rivers and forests of Kamchatka.

After the excursion a barbecue seafood lunch will be waiting for you

*Motorboat*

*Bear*

# Day 6

## Gorely Volcano

We'll take jeeps to the South Kamchatka Park and hike to the top of Gorely Volcano, where we will see the craters filled with acid lakes and fumarole smoke.

We will spend the night in tents of the eco-camp with a view of the Vilyuchinsky volcano and the pass.

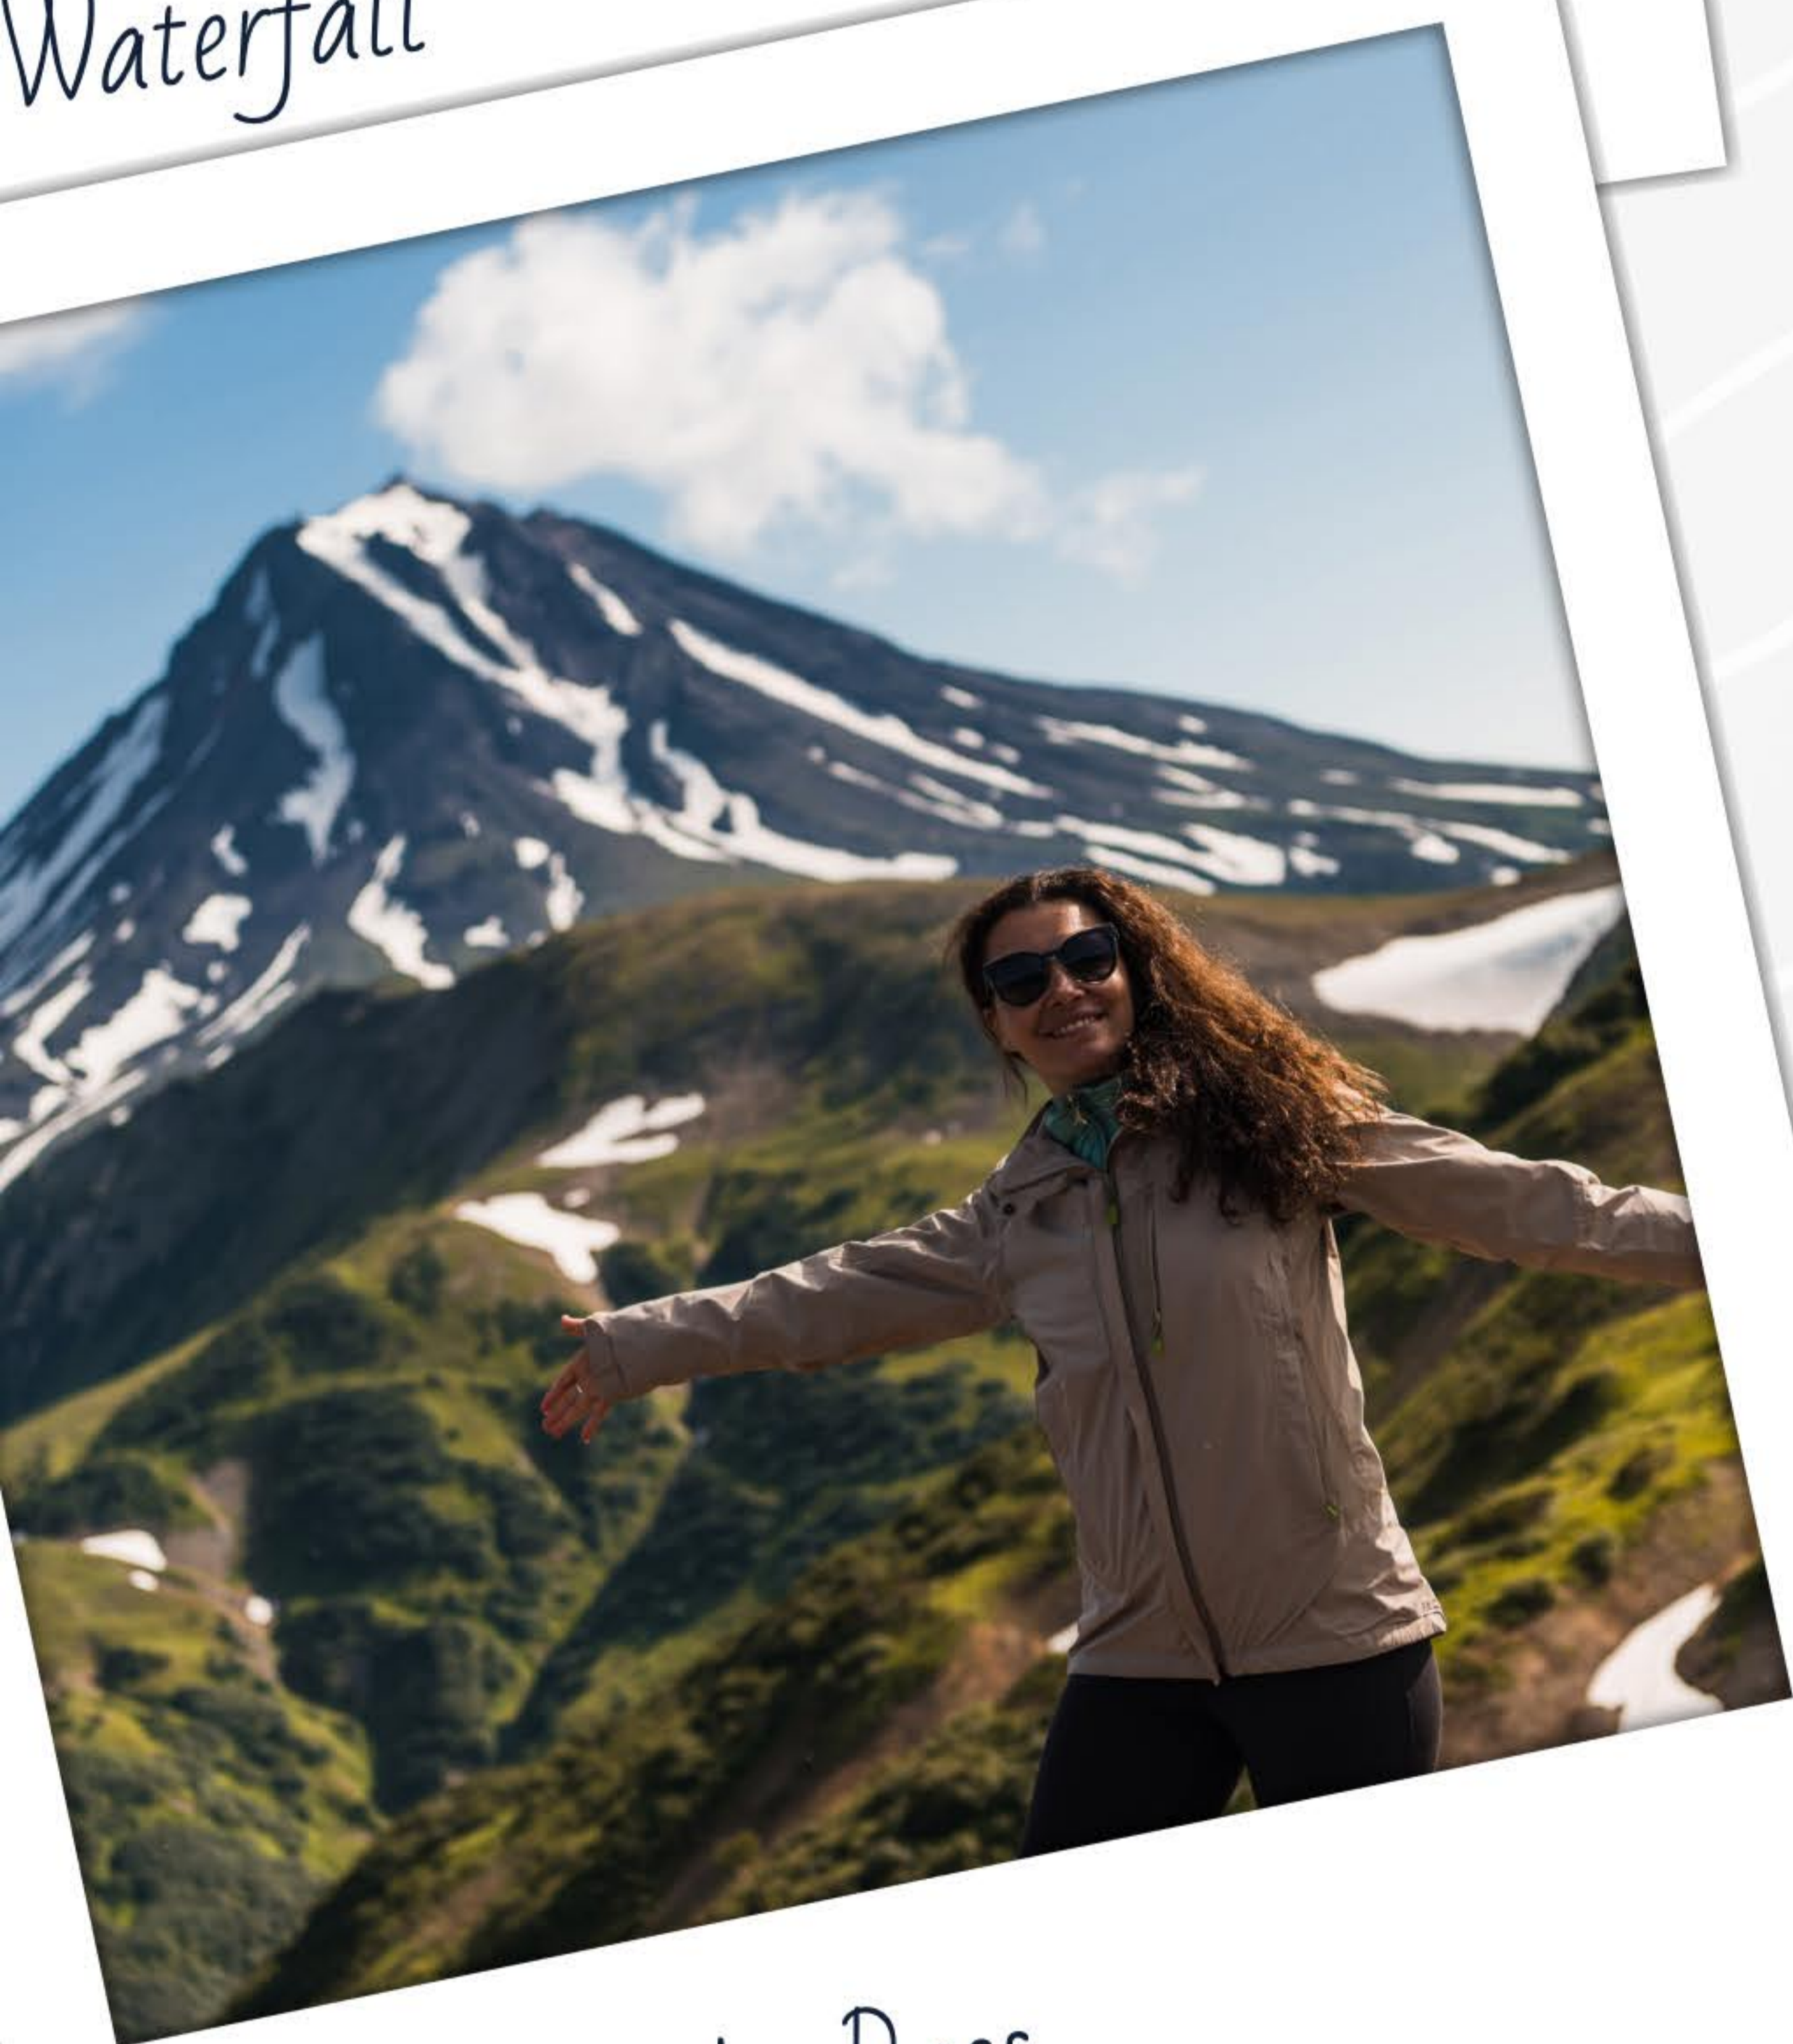

*Climbing a volcano*

Waterfall

Vilyuchinsky Pass

# Day 7

## Vilyuchinsky Pass Farewell dinner

After a leisurely breakfast among volcanoes we will see the majestic waterfall on the Spokojny Creek.

We'll conclude our journey with a farewell dinner at a restaurant that won the Silver Palm Award in 2023.

Farewell dinner

# Day 8

## Airport transfer

# Hotel

## SPA-hotel «Laguna»

A recreation center in Kamchatka, where comfort and modernity are perfectly combined with the pristine beauty of nature.

The hotel is located right on the shore of Lake Mikizha, which offers a magnificent view of volcanoes.

There are two gastronomic restaurants «MISHKA» and «Elk-Salmon» on the territory of the hotel

Spa complex with a swimming pool filled with pure thermal water from the earth and a panoramic sauna. overlooking the volcanoes

The hotel is located right on the shore of Lake Mikizha, which offers a magnificent view of the volcanoes

# Transport

Exploring the marine world takes place on an 18-meter catamaran that smooths out the ocean's rolling motion

For transportation in the urban area we will use comfortable 19-seater Mercedes buses

For trips to the volcanoes we will change to prepared 5 local off-road jeeps

Long-distance flights are organized by a reliable twin-engine MI-8 helicopter
