Day 2

Foot of Mutnovsky volcano

We head to the foot of the Mutnovsky volcano, where we will spend a short hike to the Dachnye springs. Here the underground heat of the volcano manifests itself in the form of steam jets that rise upwards, as well as in hot streams and mud pots.

On the way we will have an excursion to an observation point overlooking the Vilyuchinsky volcano and a visit to one of the most powerful waterfalls in Kamchatka.

Vilyuchinsky Pass

Day 3

Valley of the Geysers

An exciting helicopter trip to one of the most unique places on Earth - the Valley of Geysers, located within the Kronotsky Reserve.

Guests will be accompanied by a guide to see numerous geysers, hot springs and volcanic formations.

Day 5

Kamchatka's marine world

Aboard a modern yacht, we're going to Russkaya Bay. As the yacht moves, you can enjoy the surrounding landscapes and meet marine life, including seals, sea lions, sea birds and possibly orcas.

Three Brothers Rock

While anchored for lunch, guests will have the opportunity to go deep sea fishing

Day 6

Avacha Pass

Excursion at the foot of Avacha volcano, one of the most active domestic volcanoes.

Guests make an ascent to Mount Camel, which offers a majestic view of 2 neighboring volcanoes.
